Dear Customer:

Enclosed with this letter is the most comprehensive catalog our company has ever issued. We believe that, coin for coin, this offering is the most quality laden price list presented to the collecting community in recent years. We have travelled thousands of miles, inspected tens of thousands of coins, and spent hundreds of man hours in recent weeks to buy most of these coins.

Although many of our prices may seem high, even considering the outstanding quality of the items, it is our sincere belief that these prices will pale by comparison in a few short years. Most of the coins here are indeed one-in-a-thousand, and truly represent the *creme de la creme* of the coin market.

Traditionally, it has been a practice to offer a once a year, post ANA convention discount to our customers. Considering the present state of the market, we are reasonably sure we could sell most of these coins without authorizing a discount. However, we have decided to continue this long standing tradition and reward you for your loyal and continued support. Therefore, the following discounts are applicable.

Total Purchase	Discount
over $500	5%
over $1,000	10%

Discounts are applicable on all orders postmarked no later than September 12. Discounts are not applicable to Commemorative Halves and Commemorative Gold.

Sincerely,

Steve Ivy

SI/jmd

P.S. These coins will sell very quickly. We urge you to call and reserve your selections on orders over $500. Please list your second and third choices. Don't forget to utilize our free 90 day layaway plan.

Steve Ivy Rare Coin Company

Dear Customer:

Welcome to our biggest and best Rare Coin Catalog ever!

Two very important events have combined to make this catalog a very special source of high quality U.S. coins:

First, a week of steady and determined effort at the American Numismatic Association's convention in St. Louis enabled our buyers to add a million dollar's worth of carefully selected coins to our already outstanding inventory. Less than one-half of one percent of the coins we examined offered the quality *and* value that we want for our customers. Selecting from this catalog is like picking the best of the entire ANA convention!

Second, upon our return to Dallas, we were delighted to receive the news that we had purchased a major collection for which we had been negotiating for some time. We especially wanted this collection because of the unbelievable quality it contained. The assembler was quite knowledgeable and particular; in fact, he bought many of his best pieces from us. We stopped the presses on this catalog so that we could offer you the hundreds of fantastic coins included in our purchase.

Remember that Steve Ivy Rare Coin Company offers quality *and* value. We purposely have emphasized suberb quality (MS (67) or better) in our buying strategy for years. Our efforts have never been rewarded so fruitfully as in the last month! This catalog personifies what we believe the sophisticated collector and investor of today desire and demand from a major dealer — the ability to obtain superb quality material, and to deliver that quality at a competitive price.

The inordinate number of superb quality coins listed herein represent a combination of circumstances that may not be repeated in a lifetime. Almost all items are one-of-a-kind, of course, so please list alternate choices when possible. Also, be sure to utilize our toll-free WATS line to reserve your selections.

Sincerely,

Ron Howard

The rare coin market is alive and well.

With the rare coin market in the midst of an unprecendented boom, all eyes were focused on the 1979 A.N.A. show and three July auctions containing well over ten million dollars worth of rare coins. Even in the face of optimistic predictions, prices realized in the three auctions, as well as activity at the A.N.A. show, managed to astound dealers and collectors alike. Record prices were the rule rather than the exception as previous highs were easily shattered in frenzied bidding. The following list is but a small sampling of the astronomical prices obtained (comparisons with previous prices for the same coins are given wherever possible):

Coin Type-Grade	Year-Price	July 1979	% Annual Gain
1894 Nickel MS (67)	1978-$ 200	$ 475	137%
1836 Half Dime MS (65)	1976-$ 575	$ 1,600	38%
1830 Dime Proof (65)	1975-$ 1,600	$ 5,250	30%
1804 Quarter MS (64)	1975-$ 8,500	$26,000	29%
1838-O Half Dollar Proof (60)	1973-$41,000	$62,000	7.2%
1921 Peace Dollar MS (69)		$ 6,000	
1887 Three Dollar Gold Proof (65)	1978-$ 5,200	$ 8,200	98%
1864 Ten Dollar Gold Proof	1978-$10,000	$19,000	67%

While the entire market remains extremely strong, there are several categories that are enjoying particular success. Gold coins and silver dollars continue to perform well, while choice early type coins continue to post strong gains, continuing a climb which began more than a year ago. Gem quality Seated, Barber, and modern proof coins are showing substantial increases across the board.

While it is impossible to know exactly how strong the current market will remain, all signs point to a continuation of the impressive advances we are currently experiencing. Today's prices will undoubtedly be tomorrow's bargains. Don't pass up today's opportunities hoping for lower prices tomorrow.

What is a Keogh Plan and how can I use one to buy rare coins?

Are you self-employed, not incorporated, and paying self employment tax? If so, you are eligible to establish a self-directed Keogh retirement plan.

A Keogh, or HR-10 plan, is a plan whereby self-employed persons can save and invest for their retirement years. A Keogh allows the participant to annually set aside up to $7,500 or 15% of earned income, whichever is less. Should you have employees in your business with three or more years of service, a plan must also be established for them. This allows the employees of self-employed persons the same opportunity for retirement benefits as is usually offered by large corporations and government plans.

Employer contributions to an employee's plan are tax deductible in addition to being an excellent fringe benefit. Taxation on a Keogh account is deferred until age 59½ or retirement during the following twelve years. Ten year averaging is then available to those desiring a lump sum distribution. Also, all contributions and investments placed into a Keogh account are also creditor-free.

A self directed Keogh plan is one which the employer is also designated as the plan trustee. This would allow the self employed individual to specify where and how the Keogh funds would be invested. Therefore, in a self directed Keogh you could place rare coins in your plan to increase your earnings for retirement.

Any coins purchased for a self directed Keogh may be examined prior to purchase. After authorizing the bank that administers your account to purchase a coin for your Keogh plan the coin will then be retained by the bank along with other investments for your account. You may authorize the bank to sell or auction rare coins from your account at any time provided the proceeds are re-deposited back into the account.

If you think you qualify for a Keogh plan or wish to transfer trusteeship of your present account to include investments in rare coins, call our WATS line 1-800-527-6810 during business hours for consultation.

1855 Proof (67) Superb! Described as "A most superb specimen . This may be the finest known." in the February, 1973, NASC Sale, which featured a complete set of Proof Seated Dollars from 1850-1873. Most known proofs are impaired. Many prooflikes have been erroneously offered as proofs over the years, thus obscuring this coin's true rarity. This lightly toned, pristine cameo will always elicit profound respect when it comes upon the market. (see color photo) . 15,750.00
1857 Proof (65) Virtually superb, with a pleasing cameo contrast. Greatly undervalued relative to type coin prices. (see color photo) 7,750.00

1889-CC MS (65) Deep mirror prooflike. Fully struck. Key Morgans such as this have become tougher to locate as prices have risen. 1893-S MS (65) Semi-prooflike. Needle sharp strike. Light, natural golden toning upon immaculate surfaces, which are free of any but the most trivial marks. Conservatively placed at the MS (65) level in deference to its extreme rarity.

It is with great pride that Steve Ivy Rare Coin Company unveils this fabulous rarity to the numismatic world. Never before has this coin been offered to collectors at public or private sale.

Our price represents an excellent value. In May, 1978, Steve Ivy Rare Coin Company sold an 1893-S of comparable quality for $47,500. In November of that year, a specimen sold in a major auction sale in New York City for $52,000.

Our asking price is only modestly above those two records, while Morgan Dollars, as a series, have increased dramatically in popularity and value during the last year.

The incredible investment potential of this coin is undeniable. No other U.S. coin can promise such rich results. 57,500.00

1854 MS (65) Type 1. (see color photo) 1,450.00
1854 MS (66) Type 2. Of the precious few Type 2 Gold Dollars that survive today in conditions above MS (65), it is doubtful that any could equal this coin's phenomenally sharp strike. The date is full and bold; there is full hair detail on the Princess' brow. The luster, color and surfaces are all aesthetically pleasing. A rare type coin that will always be in great demand. 11,500.00
1854 MS (67) Type 2. Superb! Well struck, with complete hair detail and a full date. Enthralling, rich color and abundant luster. Absolutely no marks or impairments. Incredible quality for this short-lived type. (see color photo) 19,500.00

1856 MS (63) 495.00
1857-C AU (50) Nice luster, well struck. This example has a nice planchet which is quite unusual for late date Charlotte gold dollars. 1,075.00
1867 MS (67) Superb! Fully struck, with enchanting color and vibrant luster, rare in this outstanding condition. 3,950.00
1869 MS (67) Superb! Among the rarest of the Philadelphia Gold Dollars in mint state condition. Sharply struck with beautiful color, surfaces and luster. Fantastic potential. 4,500.00
1874 Proof (65) Proof gold coins of 1874 are extremely rare in all denominations. The accuracy of the scant mintage figure of 20 pieces is supported by the virtually non-existent auction records in the last decade for a Proof 1874 Gold Dollar. This pristine specimen is a great sleeper with potential that is, in our opinion, virtually unmatchable by any other U.S. gold coin. That's a strong statement for us to make, but it reflects our sincere respect for this important rarity. No amount of money could guarantee the location of another specimen. (see color photo) 13,500.00

1871-S MS (67) Superb! Quite likely the finest known of this elusive date. Our price seems reasonable when compared to the four figure prices that superb common dates have been bringing, and the recent records of Quarter Eagles in the 1880's in similar condition. For instance, an 1882 in MS (67) brought $4,750.00 in the recent Herrman Sale (July 20-21). According to David W. Akers' research, 29 offerings of 1882's in mint state have appeared in 226 major auction sales since 1921, as opposed to only eleven mint state 1871-S's. It is also interesting to note that the average grade of all 1871-S's included in the work was a well-worn VF (36). Rarity and quality are combined in this pristine specimen. (see color photo) 4,500.00

1867 AU (55) Lustrous and pleasing 1,475.00
1867 MS (67) Superb! Prooflike, as are most of the very few mint state pieces surviving today. Completely struck up, with generous luster and deep, rich color. An important coin that combines unquestionable rarity with unsurpassable quality. (see color photo) 19,500.00

HALF EAGLES

1803 AU (55) Sharp. Very strong detail. (see color photo) 2,400.00
1806 MS (65) More sharply struck than the superb coin of the same issue that was listed in our last Catalog Supplement at $8,750.00, and sold therefrom. This pleasing example also boasts that warm, natural color that is so desirable on early gold. Bust Half Eagles of this quality seem destined for the five-figure level. (see color photo) 7,750.00
1807 MS (67) Superb! Bust Left. Beautiful color and surfaces, with light russet toning cradling the stars, letters and devices. Wondrously well struck with no details absent. A good coin to own in today's active, quality-conscious market. (see color photo) 11,750.00

1889 MS (65) An extremely rare date in this grade. In the early 70's we saw 10-20 mint state coins over a period of years, but all were terribly bagmarked and we suspect they came from a small hoard. This is the first such non-proof example we can remember seeing 3,750.00

1911 MS (65) 1,450.00
1911-S AU (58) 395.00
1911-S MS (65) Extremely scarce. Bold mintmark; excellent color and surfaces. (see color photo) 5,450.00
1912-S AU (58) Sharp. 475.00
1914 MS (65) (see color photo) 1,450.00
1915 MS (60) 450.00
1915 MS (65) 1,450.00
1915 Proof (67) Superb! The rearest of the rare — only 75 struck. None could be more beautiful than this lovely example. (see color photo) 12,500.00
1916-S MS (60) 875.00

EAGLES

1844 EF (48) 2,250.00
1852 AU (50) 375.00
1854-S AU (50) 1,750.00
1865 AU (55) The highest grade of this rare date we have ever handled. (see color photo) 3,950.00
1870 AU (53) Nice luster (see color photo) 1,450.00
1873-CC AU (50) Among the finest known, the Gilhousen Sale (Superior, February, 1973) had an EF example; no finer coin has been offered since. A coin that is probably both irreplaceable and unimprovable. 6,450.00
1881-CC MS (65) Quite scarce, as are most Carson City Eagles in uncirculated condition. This example is well struck and void of any serious injuries. (see color photo) 2,950.00
1889 MS (65) The scarcest denomination of this year and mint. Because of its proximity, chronologically, to common dates, this issue has been underrated over the years. A significant price adjustment may take place in the future. 2,250.00
1892 MS (63) Prooflike. 325.00
1893 MS (65) Nice type coin. 895.00
1900 MS (67) Superb! 1,450.00
1901 MS (65) 895.00

1906-D MS (65) 595.00
1907 MS (60) 750.00
1907 MS (65) Indian. 1,850.00
1910-D MS (63) 950.00
1910-D MS (65) (see color photo) 1,750.00
1911 MS (63) 750.00
1911 MS (65) 1,450.00
1911 MS (67) Superb! (see color photo) 2,950.00
1911-D MS (65) Extremely rare. One of the greatest rarities, in MS (65) condition, of this overwhelmingly popular series. 11,500.00
1912 MS (65) Beautiful color. (see color photo) 1,950.00
1914-D MS (65) Scarce. (see color photo) 2,750.00
1914-S MS (65) Nice color; well struck. The satiny surfaces are wholly lustrous and exhibit no mentionable marks. An exciting opportunity for the patient collector or a astute investor, (or for a person who is both!). (see color photo) 7,950.00

DOUBLE EAGLES

1852 MS (63) A beautiful example of a type one twenty. 3,750.00
1854-S MS (65) Exquisite strike, surfaces and color. Only a trivial abrasion to the right of the date prevents a higher classification. First year of the historic San Francisco Mint's production. A noble rarity that would be a prized showpiece for any collection. (see color photo) 12,500.00
1859-S MS (65) Incredibly sharp and lustrous, with full stars and eagle's claws. One of the finest known. If not the best, of this rare issue. Desirable as a type coin as well. (see color photo) 7,250.00
1861 MS (63) (see color photo) 2,300.00
1867 MS (65) Scarce in mint state. Gorgeous luster and color. A very scarce type two issue. (see color photo) 1,950.00
1870 MS (63) Scarce in mint state. (see color photo) 2,750.00
1872 MS (63) 1,350.00
1872-CC AU (53) Rare this nice. Carson City gold of this era was eagerly circulated; consequently, most surviving coins are well worn, and average no better than Very Fine condition. We are pleased to offer this exceptional specimen. (see color photo) 2,750.00
1877-CC MS (65) An extremely scarce coin in Mint State. In fact, this is only the second we can remember seeing. (see color photo) 4,750.00
1878 MS (63) Type 2. 1,250.00
1884-S MS (69) Superb! An exquisite type coin, and a slightly better date. (see color photo) 2,250.00
1884-CC MS (63) Nice mint frost. 1,450.00
1888 Proof (65) Any proof Double Eagle is an important rarity on today's market. For only a type coin price, the new owner can also possess an undeniably scarcer date. (see color photo) 17,500.00
1889-CC MS (65) Scarce. Marvelous luster and strike. (see color photo) 4,750.00
1890-S MS (63) Rich color. 650.00
1892-CC MS (65) (see color photo) 2,450.00
1893-CC MS (65) Fully struck. A beautiful, exceptionally appealing example. (see color photo) 4,250.00
1896 MS (65) Scarce, even moreso than its low mintage indicates. Excellent original color. 695.00
1904 MS (65) 575.00
1904-S MS (65) 575.00
1909 MS (65) (see color photo) 1,650.00
1910 MS (65) Scarce. 975.00
1912 MS (65) 875.00
1913-S MS (67) Superb! Remarkably nice for this usually heavily abraded issue. One of the finest we've seen. (see color photo) 4,750.00
1914 MS (63) Very scarce. 875.00

TERRITORIAL GOLD

1852 AU (55) Wass, Molitor and Company $10 Gold, Large Head. Listed but unpriced in "Unc" in the Guide Book. (see color photo) 5,950.00
1860 AU (50) Mormon Beehive. One of the most famous and highly sought of all territorial gold coins. 9,750.00
1860 AU (58) Mormon Beehive. Incredibly, another example. Unbelievable quality for this issue. (see color photo) 13,500.00

The color plate for Eagles — Territorial Gold is located on page 23.

U.S. Commemoratives

Mint State (63)

A Commemorative issue which has seen no circulation and has full luster. The coin will be completely as struck. The coin may have bagmarks which were acquired through normal handling through the years. Commemoratives in this grade are of better than average quality uncirculated specimens.

Mint State (65)

This is an uncirculated coin which has a strong strike for the issue and a minimum number of bagmarks. These coins will have full brilliance, but may be naturally toned. Commemoratives are seldom found any better than this. In short, coins which meet this grade are the finest quality available on the market.
